CHESTER ALUMNI SCHOLARSHIP UPDATE

- We are excited to announce that our scholarship application process is now fully online, replacing the previous mail-in format to make applying easier and more accessible.
- Applications are de-identified before being reviewed by the Scholarship Committee, ensuring that all selections are made impartially based on the established evaluation criteria.
- PowerPoint presentations were presented to the Senior Class and the Parent Teacher Student Association (PTSA) to provide information and guidance. To date we have received 14 Scholarship Applications.
- We would like to sincerely thank our webmaster, John Scandurra, for developing the online application form. Your hard work and dedication have made the process more efficient and accessible for all applicants and our Scholarship Committee.
